GENERAL INFORMATION

Free Next Day Delivery

We offer free delivery to trade customers within our depot delivery areas. We also deliver nationwide via reliable couriers. Please contact us for further information. You may also collect orders from our Multicell Trade counter.

Technical Support

Our battery specialists are available to answer any questions regarding batteries and associated products. We have been supplying horticultural batteries for over 30 years.

Recycle with Multicell

We recycle all scrap sealed lead acid batteries. Please contact us to arrange.

Warranty

We offer unrivalled technical and warranty support. Please contact us for further information.

COMMITMENT TO QUALITY

While our family business has grown tremendously since 1989, one aspect remains unchanged in the company – Our professional and personal approach to serving our customers. When you work with us, you're not dealing with a cold corporate unit. You are working with a team of battery specialists who attend to your individual needs.

Multicell achieved ISO9001 in 19999 and has remained certified with BSI ever since, ensuring our high levels of service are consistently maintained.

NEED A TRADE ACCOUNT?

It's easy to open a trade account. Please call us, email us, or scan the QR Code to complete the application form. Your account can be opened and ready for use within minutes.
